

Organisational Changes in DLF-TRIFOLIUM A/S

Jens-Olav Hoest Hansen will as per 1st of July 2008 be assigned the responsibility for the Danish fodder grass seed sales after Gunnar Johansen, who has been in charge of this since 1985.

Gunnar will still be in charge of our export sales to the other Nordic countries and the Baltic states. In addition, he is responsible for the DanAert A/S sales, a 50/50 joint venture company owned by DLF-TRIFOLIUM and DLG.

Jens-Olav, aged 42, has been employed in DLF-TRIFOLIUM since June 2001, as a grower consultant in the Lolland-Falster region. He has an agricultural background, and was, before he joined DLF-TRIFOLIUM, a sales consultant in niche agricultural production at Green Center in Holeby, and before that, production consultant at DLG in East Lolland.

Gunnar and Jens-Olav will co-operate closely to optimize the transition period for customers and co-operation partners.
